

ORDER FORM

This new book captures the special history and the people who helped build a town that has retained its village charm and natural beauty. From “avocado capital” to “golf capital,” Carlsbad has grown from a small seaside village to a complex city with sophisticated industry, commerce, and tourism. *Windows on the Past* is filled with interesting characters and events, and contains many previously unpublished facts and photographs.

\$34.70

includes tax, shipping and handling*
